DIRECTIONS

Follow directions to Château la Vallière. Just outside the town, to the North, take the D766, signposted Angers, Noyant, Baugé and continue for approx. 1.5 miles. At the end of the forest you will see a small house with a tin roof on the left hand side and a no left turn sign on the right. Indicate to turn right (as you can't turn left), take the slip road on the right. Immediately turn to the left to cross the main road into a small unmarked road at the house with the tin roof 'Le Moulin a Vent'. (You will see a sign on the left hand side for Lublé if you miss the turning). Continue past the old windmill on the left hand side. Pass the farm 'La Gate' on the right hand side and immediately afterwards turn right into a small track signposted 'Moulin de Maulne'. Pass the woodpile and the chickens and we're at the bottom of the hill.
